April, May are most emphatically the months for taking a good blood purifier, because the system is now most in need of such a medicine, and because it more quickly responds to medicinal qualities. In winter impurities do not pass out of the body freely, but accumulate in the blood.

April

The best medicine to purify, enrich and vitalize the blood, and thus give strength and build up the system, is Hood's Sarsaparilla. Thousands take it as their Spring Medicine, and more are taking it today than ever before. If you are tired, "out of

sorts," nervous, have had taste in the morning, aching or dizzy head, sour stomach and feel all run down, a course of Hood's Sarsaparilla will put your whole body in good order and make you strong and vigorous. It is the ideal Spring Medicine and true nerve tonic, because

VALLEY LOCAL NEWS.

AUMSVILLE.

Miss Clary Kirkpatrick has opened a pay school for three months in our school building. She is meeting with good success. Quite a number of scholars are in attendance.

In a short time we will have a new new army store in Aumsville.

The debate between Sublimity and Aumsville debating societies, came off last evening, resulting in a victory to Aumsville society.

A correspondent to THE JOURNAL last week, said: "If Hermann is not nominated, myself and a good many of my Republican neighbors will not vote for the nominee of the convention." If Mr. Hermann fails to be nominated, he will, like a true man that he is, do all in his power to secure the election of the one who is nominated. We who do not believe in the wisdom of free coinage at the present ratio, and are in no way, in sympathy with Hermann on the silver question, will, if he is nominated, do all we can to secure his election, recognizing in him many qualities that are acceptable to us, as Republicans.

Editor Churchill's building is fast approaching completion.

Mark Speer has become greatly enthused, and as he talks, his face shines and his eyes flash. But Mark is honest. He believes in free coinage of silver 16 to 1, and cheap money. He believes that the present money is too valuable.

The Woodmen society held a session at their hall Saturday.

Sherman Swank is talking of making some improvement soon.

All kinds of fruit, berries and grains are looking good, and farmers are fast finishing their spring sowing.

Rev. Nott preached at the Christian church Sunday morning.

The will-be justice of the Peace Pound, was in town Saturday. He was not looking for votes. The voters looked for him, and they are going to elect him "if Sam Londen don't get too many votes."

The frost Monday night was a hard one, and much damage to fruit is feared.

MARION.

Tuesday, a m., heavy frost; mercury stood at 26 at sunrise; hard on early fruit.

Wonder how many of the 100 prisoners in the Portland jail are promised their freedom by Joe Simon for voting for the old ring. "Down with the ring" should be the motto of every voter in Oregon.

Roy Gardner of Newberg has been visiting with his grandparents in Marion for the past few days. He left for his home Monday.

Joseph Cook, who has bought the stock of S. M. Tomlinson, is enjoining and will be ready for business April 1 at the old stand occupied by Mr. Tomlinson. Mr. Tomlinson and family anticipate leaving Marion about April 2.

Marion has a new "black" in the person of Frank Beauchamp, late of Kansas, who is located opposite the depot. Mr. Beauchamp is now ready to do all kinds of blacksmithing with dispatch. Those needing anything in his line will do well to give him a trial.

Mr. R. T. Ray is able to walk to town again, and was on our streets today.

Deafness Cannot be Cured.

By local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation is taken out and the tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Will Not Perform Miracles But It Will Cure.

DR. MILES' RESTORATIVE NERVE TONIC.

Not miraculously, but scientifically, by first removing the germs of disease, and then supplying healthy nerve food, increasing the appetite, helping digestion and strengthening the entire system. Desperate cases require prolonged treatment as shown by that of Mrs. M. B. Reed, of Delta, Iowa, who writes: "As the result of a lightning stroke, the physicians said I had a light stroke of paralysis, my limbs would all draw up. I would have throbbings in my chest that seemed unendurable. For three months I could not sleep and for three weeks I did not close my eyes. I prayed for sleep, and felt that if relief did not come I would be dead or insane. I took Dr. Miles' Restorative Nerve Tonic and the second night slept two hours and from that time on my sleep improved; slowly at first, but steadily and surely. I took in all 40 bottles, and I cannot express how grateful I am, for I am now perfectly well, and have taken no medicine for over four months." Dr. Miles' Restorative Nerve Tonic is sold by druggists on guarantee that first bottle benefits or money refunded.
